## PANELIZED GARAGE PACKAGES

**What all do you get?**  
 You receive all the wall panels constructed from 2x4 materials with a treated bottom plate, double top plate, 7/16" OSB wall sheathing, all necessary headers for your windows and doors already installed in the panels. You will also receive pre-manufactured roof trusses, the miscellaneous framing materials including 7/16" OSB for the roof sheathing, felt, and shingles for the roof. Then you get all your siding, soffit and fascia materials, garage doors and all the necessary trim for the door, a steel pre-hung entry door, and a solid vinyl single hung window. We will even ship you all the necessary nails to build your project.

24'x24' Garage \$4,995    24'x28' Garage \$5,595    24'x32' Garage \$5,895
